

***NOW YOU CAN EARN \$25.00,  
SIMPLY BY DOING WHAT YOU ALREADY DO!!***

Did you know that over half of our new clients every year are referred from a client like you? This is a chance to earn credit for doing something you're already doing, telling a friend about Kleinhenz & Company, LLP! The program works like this: You simply give one of the attached coupons to a family member, friend or associate who you know needs help with their income tax returns. If they have our firm prepare their return, ***they will receive a discount of \$25.00*** off their fee! After we have received payment for their return, ***we will send you \$25.00!*** It's a WIN-WIN situation! There's **no limit** on the number of clients you can refer. And if you need more coupons, photocopies are acceptable, or call us and we'll gladly send you more. (Coupons aren't even required... just be sure to have your referral give us your name when they call or come in for their appointment). It's that easy!
